Circular

Sub : Effective use of Aarogya Setu App for breaking the chain of transmission of CoVID-19

1. In pursuance to Office Memorandum DPE- No. 10037/2014-GM-FTS-1867 dated 29.4.2020 from Department of Public Enterprises (DPE), Ministry of Heavy Industries & Public Enterprises forwarding therewith an OM dated 29.4.2020 of DoPT on the above cited subject, the following guidelines are issued for strict compliance by all Plants/Units:
 - 1.1. Instructions contained in the aforesaid OMs of DPE/DoPT may be circulated to all stakeholders and a monitoring mechanism may be devised to ensure that the **Aarogya Setu App** is downloaded by all employees, contract workers and other stakeholders at Plants/Units. The App can be downloaded from Google Play Store (<https://play.google.com/store/apps/details?id=nic.goi.aarogyasetu>) or Apple Store.
 - 1.2. It is also to be ensured that all employees and stakeholders follow the following directions while coming for duty:
 - (a) All the employees, contract workers working at Plants/Units and other stakeholders like suppliers, transporters, vendors, etc., should download "**Aarogya Setu**" App on their mobile phones immediately.
 - (b) Before starting from home for duty at Plant/Mines/Offices, all employees and stakeholders must review their status on the **Aarogya Setu** App and commute only when the app shows 'safe' or 'low risk' status.
 - (c) All the employees and contract workers may be advised that in case the App shows a message that he/she has a 'moderate' or 'high risk' calculated on the basis of Bluetooth proximity ("recent contact with infected person"), he/she should not come for duty and self isolate for 14 days or till the status becomes 'safe' or 'low risk'.

This issues with the approval of Competent Authority
